O'NEIL FOUND GUILTY HOOLA! CIRCUS DAY ALMOST HERE

Sheriff John B. McQuillin trans-
ferred his prisoner, Edward T. O'Neil,
alias Joseph Malady to the Williams
County Jail at Bryan last Sunday.
The Sheriff took no chances; the trip
was made by auto, carrying nine
guards and was uneventful. Sheriff
Perkins was prepared to receive the
prisoner and had secured both night
and day guards.
Monday the trial began with Judge
C. A. Bowersox of Bryan on the bench.
The work of impelling a jury was
completed Monday afternoon and one
witness for the state was placed on
the stand before the recess of the
court for the night. The trial pro-
ceeded rapidly through Tuesday and
Wednesday and the case was given to
the jury at about 4:00 o'clock. The
jury was out an hour and fifteen
minutes, returning to report a ver-
dict of "Guilty of Murder."
Prosecuting Attorney Canfield was
assisted by J. C. Paxson of Wauseon
and A. L. Gebhard of Bryan. O'Neil
was defended by Marshall and Fraser
of Toledo with Judge Charles E.
Scott of Bryan assisting at the trial.
The seven witnesses summoned by
the State were A. T. McComb, M. W.
Caser, Mike Johnson, McKenney and
Miss Candace Haley all of the Delta
Bank force also Dan Dodge, James
F. Flavelle and A. J. MacDonald. The
defense was given three days in which
to file a motion for a new trial, but
it is quite probable that O'Neil will be
transferred to the Penitentiary at
Columbus very soon after he has re-
ceived his sentence. At present a
strong guard is being kept at the
Bryan jail day and night.

HELD ON ROBBERY CHARGE

Trinidad Alcala a native of Mexico
is held at the county jail awaiting
action of the Grand Jury on a charge
of assault and battery.
Trinidad got himself in this fix last
week when in imitation of the Ameri-
can custom now in vogue in our nei-
ghoring city when he, with another of
his countrymen who has since been
for parts unknown, attempted to
stage a daylight hold-up in the north
end of Wauseon. An older fellow
Mexican was known by Trinidad and
his companion to have been drawing
his pay from the Superior Iron Co.
for "Lo these many moons" and to
their certain knowledge he never
drawn on and remove garbage and
other refuse "pesta" in the banks for
safe keeping "terge" (or spanish for
the same effect) he must carry all his
surplus money about his person.
"Volta" likewise "diablo" "we will
take it from him."
The older Mexican is in the habit
of going to the foundry early in the
morning to attend to certain duties
before then returning to the "Clinton
House" for breakfast.
The conspirators way laid him one
morning and attempted to relieve him
of his surplus capital, but the older
man put up a smart fight likewise
a loud noise, the "old hand" were
driven off, Trinidad was apprehended
and languishes in jail.

Including An All Star Cast in
"FIRES OF FAITH"

This week we publish our state-
ment as made to the State Bank De-
partment June 30th, 1920.
In this connection we are also pre-
sents for public information, some
facts and figures taken from our re-
cords, that, when placed before us
in this form, was really a surprise
to ourselves. These figures show
very favorably the progress and
growth of this bank since its organi-
zation in 1889.
A little more than six months
after the bank opened for business,
viz., June 30, 1890 the total resources
of the bank were \$129,481.89.
Five years later, June 30, 1895,
\$276,829.12.
June 30, 1900 \$375,339.03.
June 30, 1905 \$526,920.94.
June 30, 1910 \$748,131.54.
June 30, 1915 \$891,852.08.
June 30, 1920 \$1,705,662.08.
Isn't this a fine showing? We are
determined to merit the confidence
and patronage of the people of Wau-
seon and Fulton County, render real
and efficient service and thus keep
up the advance.

Shoo Fly!

Why suffer losses of milk and flesh by allowing
your cows to be pestered with flies and mites, when a
gallon of Hygeno A will make a barrel of spray
dope, that will make the flies skidoo, and also rid
them of all lice and mites, as well as disinfect every-
thing it touches.
It is especially fine for your hog or hen houses,
riding them of all vermin, and thoroughly disinfect-
ing them.
Guaranteed under the insecticide act of 1910
